#### Introduction

Singapore Life Ltd. believes that it is important that you fully appreciate the benefits of your policy. You should also understand how the cost of your insurance cover and the expenses of administration and sales affect the benefits that you will receive.

The illustration that follows shows how the value of your policy progresses over time and the sum(s) that would be payable. The methods used to derive the values shown follow guidelines established by the Life Insurance Association, Singapore, to ensure that a fair and consistent approach is used in preparing this illustration.
